

Hotel Tech of Georgia

On the 85 highway, cool wind in my hair  
Warm smell of peaches, rising up through the air  
Up ahead in the campus, I saw a stadium light  
My head grew heavy and my sight grew dim  
I had to stop for the night

There he stood in the doorway  
I heard the mission bell  
And I was thinking to myself  
'This could be Hinman or this could be Hell'  
Then he started up E+ and he showed me the way  
There were voices down the corridor  
I thought I heard them say

Welcome to the Hotel Tech of Georgia

Such a lovely place

Such a lovely face

Plenty of mess at the Hotel Tech of Georgia

Any time of year

you can find it here

He made the funny faces

He got the AUDI sedan

He got a lot of tricky tricky thoughts

that no one understands

How he explains in the buzzword

Jez that's insane

Some more to remember, some again to refrain

So I called the professor,  
'Please shed me some lights'  
He said, 'before thinking of doing any more,  
take three steps back'  
And still those voices are calling from far away  
Wake you up in the middle of the night  
Just to hear them say

Welcome to the Hotel Tech of Georgia

Such a lovely place

Such a lovely face

Frankenstein stays at the Hotel Tech of Georgia

What a nice surprise

big kahuna size

Deadline is approaching

My mind still goes white

I haven't had any sleep in bed for almost four nights

In the master's chambers

They gathered for the test

GURAW for the uncertainty

Geometry in EQUEST

Last thing I remember, I was  
Putting on my robe  
He led us to the passage out  
to the future we're looking for  
'Relax' said the gentleman,  
'I hope I left you inspired  
You can come back any time you like,  
But before I am retired!'
